My Trade Mark is Printed on Every Packet.

Whatsoever a Man Soweth, That Shall He also Reap.

Welcome One and All, TRUE FRIENDS We'll Ever Be.

A. T. COOK. HYDE PARK, Dutchess Co., N. Y.

Friends: for Over 25 Years I have grown and sold SEEDS. My Catalog is filled from cover to cover with high-grade, tested seeds, sent out under a positive guarantee to please you. My Catalog is small. No flashy, lumberly pages for you to pay for. No extravagant prices to match the enormous expense of business done in the city. Do not forget this.

Please Remember I am not a big city seedsman whose business is all done by disinterested clerks, knowing nothing and caring nothing about gardening. I personally, attend to your orders, and try honestly to serve you with the best that can be produced.

I thank You Friends one and all, for your liberal patronage and especially for your kind words. I wish I deserved them more. I know it is my earnest desire to prove myself worthy of your confidence. With thanks and best wishes. Your Friend, A. T. COOK.

REFERENCES. (For those who do not know me.) Poughkeepsie, National Bank: The Commercial Agencies; My Postmaster; and 200,000 customers.
Kind Friends:—You who have not tried it cannot realize how easy, pleasant and profitable it is to get up Clubs for your Gift Edge Seeds, Potatoes, etc. Nothing on earth sells easier.

Your friends and nabor buy Seeds every year. Go and take their orders and reap the profit. Even children who try ARE SURE to succeed.

Do you know that you can get it, and plenty too. Thousands do every year. All who try are ABSOLUTELY SURE of reaping a rich harvest of cash or Premiums. Take this Catalog at once and get orders. Don't let any customer pull away from you.

Discounts. You may keep one-third of all orders—(selling me $1.00 for each $1.50 ordered.) This big discount is on EVERYTHING I offer. No other Seedsmen gives even half as much. It is easy to obtain $5.00 to $50.00 in orders every day, and one-third is yours, in clean cash nicely. And the convenience is such that there is no need for any one to be in want of money.

Premiums. Most People prefer Premiums in place of Discounts. My Premiums this year ARE BETTER than ever. They are marrows of value. Many actually sell in the stores for more than I ask for Seeds and both. Thousands wonder how I can give so much. It is easy to explain. I order Premiums in immense quantities in summer when Factory prices are dull, and by paying cash, get them at nominal rates. Not wanting the "whole earth" I give most of the profits (in Premiums) to you who help me, and we are both benefited. (Others give their profits to Newspapers.)

MY PREMIUMS are Extra Quality. Every one of my Premiums are worth more, and absolutely guaranteed. I want you to have them. All delivered FREE. I will look for a large club from you—but send one any size you take. All Orders prepaid.

TO BOYS AND GIRLS—and Everybody Else.

Full half my Club Agents are Boys and Girls. It is easy. Your own order and your parents, count same $3.00 for order, and absolutely guaranteed. I want you to make your parents and relatives to start with, then go among all your nabor. Don't miss any. Show them the good things in my Club orders and make your orders. Other Seedsmen's Premiums are for you.

25,000 BOYS AND GIRLS have sent me clubs. You can do as well if you try. Begin early, and keep it up and you will have Premiums to be proud of.

Write for more Circulars and Catalogs to hang out. I will send them gladly and help you all I can.

SEND FOR me Catalog Circulars every year. My Potatoes are easiest of sellers. They go like hot cakes, and the Circulars DO THIS BUSINESS. Every Circulars well distributed (with your name written on as Club Agent) will certainly bring you a splendid lot of orders of $1.00 and $2.00 each. Be sure and try this successful plan. (Distribute Circulars from house to house—and call in a day or two and their orders will be waiting.) Take your Catalog along when you go around to collect, and AFTER you have taken their Potato orders—show out and descriptions of my choice Vegetables, Flowers, etc., and most of them will give you nice Seed orders too.

You can also MAIL Potato Circulars to your distant friends stating you are working for a Premium—and thus add many orders to your list. Please do your best—and your success will surprise you. With Best Wishes Always—Your Friend,

A. T. COOK, HYDE PARK, N. Y.

FLOWERS.

"God might have made the earth bring Enough for good and great, for all, The oak-tree and the cedar-tree, With fruits and flowers for all."

He might have made enough, enough For every want of ours, But our exquisiter taste, Our luxury, and our greed, And yet have made no flowers.

Our outward life requires them not, Then wherefore had they birth? To minister delight to man, To beautify the earth, To comfort man—to whisper hope Where'er his faith is dim, To nurse the cares for flowers Will care much more for him!"

EGGS FOR HATCHING.

Get the best.

Address, F. D. COOK, Pleasant Valley, N. Y.

Dear Friends—I am glad to testify that Mr. F. D. Cook’s Orpingtons are beauties—and the way they shell out the eggs both winter and summer simply beats anything I ever saw and I have kept choice poultry for 50 years.

A. T. COOK.
SONG OF THE RYE:
I was made to be eaten,
And not to be drank;
To be threshed in a barn,
Not soaked in a tank.
I come as a blessing
When put through a mill:
As a blight and a curse
When run through a still.

RECOMPENSE.
"The gifts that to our breasts we fold
Are brightened by our losses.
The sweetest joys a heart can hold.
Grow up between its Crosses.
And on life's pathway many a mile
Is made more glad and cheery,
Because for just a little while
The way seemed dark and dreary."

I WILL WORK
For Your Boy.
I will work to save from
tobacco and drink
The boys, great and small
in our land.
I will warn them all
of the danger near,
And lend them a helping hand.

ket Gardeners and all others desiring a choice strain
of this desirable cabbage should try my selected seed.

We may live without friends, we may live without books,
But civilized man cannot live without cooks."

one person in each family in the United States
by the name of "Cook." Somehow it seems to me

raisins. Very easy to grow, and

POWELL'S PROLIFIC POLE BEANS.
A Distinct Creation. The Wonder and Admiration of All Bean Growers.
My Own Introduction. This Bean Has Not an Equal in the World.
Receives Highest Praise From Every State in the Union, Canada, etc.

The Plain Truth About Powell Beans.
In all the history of bean growing, there never was a variety produced half as valuable as Powell's Prolific. Words cannot do them justice. They must be seen. I am proud to have given them to the world.

They are absolutely unlike all others. They will positively yield 3 times as much as the best of the old sorts. This is saying much, and it is true. No other vegetable of such goodness and value has been introdiced in the past 50 years.

Powell's Prolific are stringless snap beans of highest quality. They are rich, tender, and buttery to a superlative degree. Their distinct flavor cannot be described. They almost melt in your mouth. Thousands declare them the very best of all beans. They are equally good as a dried bean in winter.

The vines are marvelous runners—producing almost solid masses of thick pods 5 or 6 inches long—hanging in enormous clusters from top to bottom of the poles. They are everlastingbearers, continuing till hard frost. The beans remain in luscious condition a long time.

I have grown an enormous crop of these valuable beans. I can fill every order you send me—and call your friends' orders also. (I mean of course if you don't wait too long.) Order at once a liberal supply.

The biggest money maker in your garden.
Do you want money? easy money and plenty? Grow Powell's for market. They are such superior quality, customers will buy again and again. You can sell them for months, and make money as never before.

Many growers have sold over $1.00 worth from every pole. Only think of it. What a chance to make money. Plan for a big crop now. Give your boy and girl a chance to grow them and make money also.

Special premium for Powell bean and post card orders. For a $2.00 order I give my famous new Pathfinder Watch with fine compass. Two for a $4 order. Five for $10 order. Order a lot, sell them, make money and be happy.

Club Agents wanted all over U.S. and Canada. You can make a pile of money or obtain valuable premiums without cost. Every planter will buy these beans. Start out to-day.

Send for 10 or 20 bean leaflets (this page.) Hand to neighbors and mail to friends. Tell them you are raising a club. You will be astonished to see the orders that will follow.

Ten fine watches for most pods grown from 2 Powell beans. Try to win one.

One Elgin or Waltham, serial filled, given to the one growing most pods from 2 plants.

Another superb gold f. Watch for next best.

Solid silver chatelaine, given for next best.

Two solid nickel silver for two next best.

Five splendid Am Watches, to the 3 customers obtaining next largest number from 2 plants.

All reports to be in by Nov. 15. Send name of 1 or 2 witnesses to the growing and counting. Also state if you prefer ladies or gents size.

High praise from my customers.
Powell beans worth $10 a pkt. Mr. Cook, dear friend, I have grown every bean known in this country, and from experience consider Powell's Prolific King. It is the most luxurious grower, the most prolific bearer, the most delicious when young—tender—stringless, and delightful in pickles. For baking there are none—such another bean, I would give $500 for a packet, rather than be without it.

For 16 years I have used your seeds; they have always grown without exception. They have no superior, are always as represented. I have tried the other houses, but none of their seeds grow and produce like yours. You are welcome to use this letter—Hiram Whimsery.

Prof. H. Whernery.
Findlay, Ohio. Apr 28, 1914.
Received $5. From 4 Hills—used many too.
There is much money in Powell beans. I sold $5 worth from 4 hills (2 plants in a hill) besides all I could use in my family. They are wonderful, and continue bearing until frost. J. J. Smith, Va.

Over one bushel of beans from every hill.
For 15 years I have grown beans. None can compare with Powell. I planted 13 hills—picked over a bushel from each—and sold $9.85 worth for cash.

Samuel Waddy, Henry Co., Tenn.

Cannot over-recommend this money maker.
From 11 hills I sold $15 worth and ate all the beans, all the season. You cannot over-recommend this money maker. I had to drop up nearly every pole.

DO THIS and then tell me if it isn’t the best bargain you ever made. People will be ready and anxious to give you orders—help one so worthy. A Marvel in Quality.

For a Start Is Worth Its
WEIGHT IN COLD.

Dear Friends:—Offer you these remarkable Potatoes because I honestly believe they decided the BEST IN THE WORLD. Their incomparable table qualities, extraordinary earliness, enormous productiveness and beauty, make them indispensable to every Home Garden. When raised for market, their easy-growing and easy-selling qualities render them a money-maker beyond compare.

I have been an enthusiastic grower of fine Potatoes—multitudes of them—for over 50 years and can truthfully say I never found their equal—or anything near it, in traits that go to make a perfect potato.

I want you to try them. It will be many dollars in your pocket—and comfort in your home. I want you to grow a years supply for your own table—and enough over to plant, and bring you in a snug little fortune.

You can hardly imagine how good and how early they are. Grow them ones and you will grow them always. Real Testimonials on another page. I could fill my entire catalog with such as these.

I need only add, the Early Six Weeks are unusually healthy, hardy and vigorous; grow so quickly enemies trouble little. Tubers are very smooth, slightly pink, and always cook dry, sweet and floury. They are the very best of keepers, remaining hard and plump, and retain their matchless flavor clear up to July.

Hundreds have testified they have positively pro-dug fine eating potatoes six weeks from planting.

Beware of spurious seed. Thousands have suffered. Get the genuine, pure and true. Grown in the north where WHOLE FIELDS with ordinary culture averaged OVER 250 BUSHELS per acre of handsomest, cleanest potatoes you ever saw. THIS IS the hardy stock I offer you. Don't plant old, run out sorts. You lose dollars every time. Grow this money maker and sell seed to your nabor at a big profit.  

SPECIAL. To Introduce, and help Club-Agents, I will this year give this entire Dollar Seed Collection FREE WITH EVERY POTATO ORDER.
